

Welcome Back to the Matrix Sports Academy All-Girls High School NFL Flag League!

Maryland's Premier Flag League — *Where Female Athletes Compete, Lead, and Get Noticed*

Year Two is here — and we're just getting started.

Last season, we made history. This year, we're raising the bar.

Matrix Sports Academy's All-Girls High School NFL Flag League is back, stronger, faster, and more competitive than ever — giving athletes the platform to sharpen their skills, gain visibility, and chase their college dreams.

This league is built for the athlete who wants more — more growth, more recognition, and more opportunities to lead both on and off the field.

Here's what's in store for 2025:

- 10-Game Regular Season + Playoffs and Championship
- All Games Filmed and Uploaded to HUDL — create highlight tapes to share with college recruiters
- Top Players Selected for the Matrix Travel Team
- College Readiness Focus — we teach players how to market themselves to college programs, from building highlight reels to crafting outreach messages
- League Standings and Player Stats featured weekly on our website
- Player of the Week, Media Spotlights, and On-Field Interviews
- Live DJ, Concessions, and Game-Day Energy that keeps the stands buzzing

You're not just part of a league — you're part of a legacy.

Welcome to another unforgettable season of skill, power, and purpose.

Matrix Sports Academy — Where Girls Compete, Connect, and Conquer.
